

## Star Wars VII

*Adapted from a YouTube video*

*(Darth Vader and Luke Skywalker are fighting with light sabres)*

**Darth Vader :** Luke, join the dark side. It is your destiny!

**Luke Skywalker:** I'll never join the dark side. Never!

*(Darth Vader cuts Luke's hand with his light sabre.)*

**Luke Skywalker:** You just cut my hand! Now I'm really not joining the dark side!

**Darth Vader:** Oops. Sorry about that! *(They carry on fighting)*

**Darth Vader:** Listen. Your friend Chewbacca joined the dark side.

**Luke :** I don't believe you!

**Darth Vader:** Luke, look it up on Wookieepedia!

**Luke:** I don't believe everything I read. Wookieepedia also says that you are my father!

**Darth Vader:** Actually, I am your father!

**Luke:** Yeah? And Leia's my sister!

*(Suddenly Chewbacca comes onstage wearing a mask of Dracula. He starts to fight with Hans Solo.)*

**Chewbacca:** Feel the force, Hans!

**Hans Solo:** Count Dracula, what are you doing here?

**Chewie:** Dracula? *(He takes off his mask).* Sorry. Wrong play. I got lost. *( He runs offstage, puts on a Chewbacca mask and comes back and fights with Hans Solo.)*

**Hans Solo:** Chewie, you're my friend.

*(Chewie hits Hans Solo again)*

**Hans Solo (in pain):** Maybe not.

**Darth Vader:** Listen, Luke. If you join the dark side, you get lots of presents for your birthday!

**Luke:** Really? My birthday is tomorrow.

**Darth Vader:** I know. Here is your present. *(Gives Luke a bag)*

**Luke:** Oh no, not again! It's another light sabre! And it's from China.

**Darth Vader :** They are all from China. Even my mask is from China.

**Luke:** Enough! I said I will never join the dark side.

**Hans Solo:** Bravo! You will never win, Darth Vader! We will destroy you. Ha ha ha ha...!

**Darth Vader:** Chewbacca!

*(Chewbacca catches Hans and beats him some more.)*

**Luke:** Wait. What's this? *( He looks in the bag and takes out a box)* Playstation 4. *Game of Thrones.*

**Hans:** Luke, don't touch it!

**Darth Vader (smiling) :** It's the latest model. Lovely sound effects.

**Hans:** It is a trap! Beware of the dark side, Luke.

**Chewie:** Shut up, Hans.

**Darth Vader:** Amazing graphics!

**Hans :** Luke, Darth Vader is tricking you. Don't...Luke, Luke, where are you going?

*(Luke Skywalker and Darth Vader walk off the stage, arms around each other.)*

Come back. You are a Jedi! Come back! We are your friends. Come back!!!!

THE END
